5 TO THE COURT AND TO COUNSEL OF RECORD FOR ALL PARTIES:

6 PLEASE TAKE NOTICE that LLOYD THOMAS BERNHARD, II, PLAINTIFF IN PRO SE and  
7 STEPHANIE TEJADA-OTERO, PLAINTIFF IN PRO SE, hereby respectfully submits this  
8 NOTICE OF ERRATA REGARDING FIRST AMENDED COMPLAINT FILED WITH THE  
9 COURT ON FRIDAY, DECEMBER 30, 2022.

10  
11 Due to the following set of circumstances, which caused Plaintiffs in Pro Se, FIRST  
12 AMENDED COMPLAINT filed with the Court on Friday, December 30, 2022, to be  
13 filed with errors:

14 On Thursday, December 29, 2022, Lloyd Thomas Bernhard, II and Stephanie Tejada-  
15 Otero, Plaintiffs in Pro Se, were finalizing their First Amended Complaint to print  
16 and timely file the next morning with the Court pursuant to the Court's Order  
17 signed December 3, 2022, when all of a sudden, their computer program which  
18 held all 64 pages of Plaintiffs' First Amended Complaint had severe technical  
19 problems. It was not allowing Plaintiffs to edit their First Amended Complaint  
20 properly, was continuously logging Plaintiffs out of the program that held their First  
21 Amended Complaint text and not printing properly. Plaintiffs spent that day, night  
22 and the next morning trying to fix the problem but ended up having to file their  
23 document, First Amended Complaint, with errors so as to meet the deadline to  
24 timely file on Friday, December 30, 2022. Once at the Court Clerk's window in the  
25 afternoon on Friday, December 30, 2022, the Court's filing clerk was advised of the

1 problems Plaintiffs had with the First Amended Complaint and asked if they could  
2 pay for a copy of the document they just filed because they needed to subsequently  
3 work over the weekend to correct it, as their computer program was not allowing  
4 them to print a copy of what they had just filed. The Court Clerk advised that the  
5 Court does not make copies of any documents for the public, and that there was a  
6 copy machine next to her window which could be used. Unfortunately, that copier  
7 was not working. Therefore, the Court Clerk was asked when Plaintiffs could get a  
8 copy through Pacer. She advised that it would not be scanned into their Docket  
9 until Tuesday, January 3, 2023 or Wednesday, January 4, 2023 of the next week  
10 because the Court was closed on Monday, January 2, 2023. On Tuesday, January  
11 3, 2023, after checking Pacer hourly since the morning, at about 2:00 p.m. Plaintiffs'  
12 First Amended Complaint filed on December 30, 2022, was on the Court's docket  
13 and could now be reviewed as to what needed to be corrected as Plaintiffs'  
14 program was not allowing Plaintiffs to view the final version of what was presented  
15 for filing on December 30, 2022. Now, on Tuesday, January 3, 2023, after review  
16 of the posted First Amended Complaint on Pacer, Plaintiffs started over with a new  
17 program to have their First Amended Complaint be processed properly, edited  
18 properly, and printed properly, which was successful.

19 In Pro Se Plaintiffs are not allowed to file their documents electronically with the  
20 Court, they must file in person with the Clerk.

21 Therefore, for the above reasons, Plaintiffs respectfully hereby submit their Notice  
22 of Errata and file herewith, on January 4, 2023, their corrected FIRST AMENDED  
23 COMPLAINT to replace their First Amended Complaint filed with the Court on  
24 December 30, 2022.

25 Respectfully submitted,
